Important Questions	Answers	Why this Matters:
What is the overall deductible?	\$9,100 person / \$18,200 family In-network \$18,200 person / \$36,400 family Out-of-network Maximum amount that any one person will satisfy towards the annual family deductible: \$9,100 In-network / \$18,200 Out-of-network	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>
Are there other deductibles for specific services?	Yes. Journal- and non-Journal-Listed Christian Science Care \$300 person / \$900 family	You don't have to meet the overall medical <u>deductibles</u> before these services are covered. Claims applied to this deductible are also applied to the overall deductible (and vice versa).
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$9,100 person / \$18,200 family In-network \$20,000 person / \$40,000 family Out-of-network Maximum amount that any one person will satisfy towards the annual family out-of-pocket: \$9,100 In-network / \$20,000 Out-of-network  Journal-Listed Christian Science Care \$5,000 person / \$10,000 family Non-Journal-Listed Christian Science Care \$7,500 person / \$22,500 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Penalties, <u>premiums</u> , <u>balance billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="www.umr.com">www.umr.com</a> or call 1-800-826-9781 for a list of <a href="mailto:network providers">network providers</a> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
