NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.umr.com</u> or by calling 1-800-826-9781. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. Important Questions	Answers	Why this Matters:
What is the overall deductible?	\$9,100 person / \$18,200 family In-network \$18,200 person / \$36,400 family Out-of-network Maximum amount that any one person will satisfy towards the annual family deductible: \$9,100 In-network / \$18,200 Out-of-network	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	Yes. Journal- and non-Journal-Listed Christian Science Care \$300 person / \$900 family	You don't have to meet the overall medical deductibles before these services are covered. Claims applied to this deductible are also applied to the overall deductible and vice versa.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$9,100 person / \$18,200 family In-network \$20,000 person / \$40,000 family Out-of-network Maximum amount that any one person will satisfy towards the annual OOP limit: \$9,100 In-Network / \$20,000 Out-of-Network Journal-Listed Christian Science Care \$5,000 person / \$10,000 family Non-Journal-Listed Christian Science Care \$7,500 person / \$22,500 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Penalties, <u>premiums</u> , <u>balance billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .

Will you pay less if you use a <u>network provider</u> ?	Yes. See www.umr.com or call 1-800-826-9781 for a list of network providers .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All $\underline{\text{copayment}}$ and $\underline{\text{coinsurance}}$ costs shown in this chart are after your $\underline{\text{deductible}}$ has been met, if a $\underline{\text{deductible}}$ applies.
